

June 1 to July 31

*We Discover*

*We Educate*

*We Heal*

*We Raise Hope*

# TOGETHER.

## Employee Giving Campaign

Participation %  
Goal

The **Raising Hope at Work** employee giving campaign provides UF Health Shands and UF College of Medicine faculty and staff members with the unique opportunity to engage in our culture of philanthropy.

Your participation in this campaign signals a continued commitment to caring for each other and our community while helping to further our mission.

**NEW THIS YEAR** — designate your gift to the fund area of your choice! No matter where you direct your gift, you join your colleagues in healing, discovering, educating and raising hope together for our patients and community.

Contact [RaisingHopeatWork@shands.ufl.edu](mailto:RaisingHopeatWork@shands.ufl.edu) or call **352.265.7276** for more information.
